

Subject - Internship Inquiry: Summer 2026 – Alok Soni

Dear Amanda Bastawros (Vice President of Human Resources at Colossal Biosciences)

My name is Alok Soni, and I am currently a first-year student at VIT Bhopal University pursuing Bachelor of Technology in Bioengineering. I am writing to express my strong interest in a summer internship opportunity with Colossal Biosciences Inc.

I have long admired Colossal Biosciences work in De-extinction of several extinct animals, and I am eager to contribute my skills in Biotechnology and Genetic Engineering to your team.

I have attached my resume and cover letter for your review. I would appreciate the opportunity to discuss how I can support your team this summer.

Thank you for your time and consideration.

Sincerely,

Alok Soni
